

# Los Angeles Youth Orchestra Student/Parent Contract Fall 2022 and Spring 2023 Semesters

Parents and Students must read, understand, and sign this contract.

I understand that playing in an orchestra requires team effort and cooperation between the musicians, instrumental coaches, and conductor. Realizing that we have limited rehearsals and that absences affect our preparation, I agree to be part of the team and to adhere to the following guidelines:

1) I agree to be present at all rehearsals. I understand that I am allowed TWO (2) absences per semester and I agree to notify the Program Manager by email as soon as I know that I will or *may* be absent. Excused absences may not be the mandatory dress rehearsal or concerts. Failure to notify the Program Manager of absences or excess tardiness may result in dismissal from the orchestra.

2) I understand that attendance for the *entirety* of all concerts and the dress rehearsal is mandatory for students registered during a given semester.

I understand that if at any time during the semester I discover a conflict that would prevent me attending either the mandatory dress rehearsal or concerts, I will no longer be allowed to participate in the orchestra and my tuition will not be refunded.

3) I agree to arrive at least 15 minutes before the scheduled rehearsal times with my instrument, music, music stand, and pencil and to promptly find my seat, tune, warm-up and be ready to rehearse.

4) I agree to continue taking private music lessons so that my technique and musicianship grow with the orchestra.

5) I agree to prepare the orchestra music to the best of my ability both at home and with my private teacher.

6) I agree to display mature, non-disruptive behavior at all times and to act respectfully towards the conductor, coaches, and my fellow students.

7) I agree to respect the conductor's decisions as *final* in regard to ensemble and seating placement.

8) I understand that to play in an orchestra is to be part of a team. For the orchestra to succeed, I must practice the music and participate. As part of a team, I understand that I must be flexible and learn to perform the music in a way that produces the best "section sound" and follow the conductor's intentions.

9) I understand that bullying and activities detrimental to the safety of other orchestra members is unacceptable, and that engaging in such activities may result in immediate dismissal from the orchestra.

10) I understand that if I do not adhere to the guidelines stated above, I may be called in for review, required to re-audition and/or be subject to dismissal from the orchestra.
